

Effective Presentation Skills

TARGET AUDIENCE: This workshop is for anyone who gives presentations, speeches, or lectures.

Many people list public speaking as one of their greatest fears. Having the right tools, knowledge and how to effectively connect with your audience helps reduce that fear.

This highly interactive 2-day workshop is intended for leaders, presenters, and speakers who want to improve their presenting skills.

You learn the essentials of making impactful and effective presentations through video recording, feedback, self awareness and experienced workshop leader facilitation.

WORKSHOP OBJECTIVES

- Deliver powerful presentations
- Communicate with confidence and clarity
- Reduce 'filler words' (um, ah, like, uh, you know, okay)
- How to structure presentations
- Maintain composure and control

INVESTMENT: \$599 per person

(Includes certificate, continental breakfast, and a discount on any future Jackman Group LLC open enrollment workshop)
